Commission received the minutes of the December 5, 2017 meeting prior to this meeting. There being no corrections, objections, or additions, these minutes were approved.

The City Manager reported on the following:

- The Maintenance Department has been scattered out at several locations taking care of water main breaks over the weekend, the first on a 6" line and another involving a 2" line. They have also been dealing with frozen water lines and salting streets, but with the temperatures as low as they have been, salt does not work as well, especially without traffic flow.
- Two weeks ago, the concrete was poured for the riverboat tie-off and we already have a date set for three cruises. This completes the work for the Riverfront Improvements Project.
- With the beginning of the new year, it is budget time. Mr. Greene has been meeting with department heads to review their budget requests. So far they are staying close to last year's requested amounts, with no big ticket items yet.

- The new Green Sewer line connector between Mound Hill and Vine Street may need replaced before service gets up to full capacity. Right now, it is 11,000 gallons per day, but is expected to triple at full capacity.

The Commission needs to appoint two members to serve on the Board of the Volunteer Firefighters' Dependents Fund. Mr. Wallis made a motion to appoint Mr. Sang and Mr. Fulks to the Board, seconded by Mr. Caldwell. Upon voice vote on the motion, all votes were yes.

The City Auditor reported that her office has been busy closing the books for 2017. The General Fund has gained some ground since the beginning of 2017. FY2016 ended with \$210,946.73 unencumbered in the General Fund. FY2017 ended with \$356,583.96 unencumbered, a gain of \$145,637.23. Revenues for the year exceeded expenditures by \$151,947.52. She cautioned to bear in mind that \$20,000 of the revenues were from the sale of the Last Chance and that we also received some fairly hefty rebates from Workers Comp. She will be reposting in more detail later.

Ms. Landers distributed a list of committees that the Commission needs to appoint members to serve on.

Mr. Salisbury requested executive session for legal matters.

President Fulks welcomed the new Commissioners. He also expressed his appreciation to the City workers who have been out in the cold weather delivering services to our residents.

Ms. Landers said that she had found some problems with the three resolutions on tonight's agenda and asked that they be tabled to allow for corrections and editing to one page in length. Mr. Wallis made a motion to table Resolutions R2018-01, 02, and 03, seconded by Mr. Caldwell. Upon voice vote on the motion, all votes were yes.

There was presented and read to the Commission as an emergency a Resolution No. R2018-04 entitled **AN EMERGENCY RESOLUTION AUTHORIZING THE ESTABLISHMENT OF A NEW SPECIAL REVENUE FUND (OHIO JRI GRANT)**.
