

January 5, 2016

The Gallipolis City Commission met in regular session on Tuesday, January 5, 2016, at 6:00 p.m. at the Gallipolis Municipal Building, 333 Third Avenue, having complied with Section 9 of the City Charter.

Commission President Tony Gallagher called the meeting to order. Mr. Wallis gave the invocation.

Upon roll call, the following members were present:

Albert "Tony" Gallagher, President
 Michael C. Fulks, Vice-President
 W. Matthew Johnson, Member
 Steven E. Wallis, Member

Others attending were:

M. Eugene Greene, City Manager
 Adam R. Salisbury, City Solicitor
 Annette M. Landers, City Auditor/Clerk/Treasurer
 Ronnie Lynch Marvin Vanderberg Matt Champlin
 Keith Elliott Jeff Boyer Joy Elliott
 Randy Breech Christy Johnson Mary Lee Marchi
 Roger Brandeberry

Commission received the minutes of the December 15 & 22, 2015 and January 2, 2016 meetings prior to this meeting. There being no corrections, objections, or additions, these minutes were approved.

The City Manager reported on the following:

- City Maintenance crews have been working on several water breaks and sewer lines over the past two weeks.
- The City is continuing discussions on employee healthcare insurance renewals. It is looking like the increase in premiums will be 12.5%, with coverage remaining the same.
- Department heads are beginning work on their 2016 budgets,
- There will be a public hearing on the Park-front Project on January 19th at 5 p.m., immediately preceding the 6 p.m. Commission meeting. E.L. Robinson Engineering will have representatives at the meeting to answer questions. This may be the last meeting before the project goes out to bid.
- Looking at the coming year, Mr. Greene said that he was looking at lift station upgrades, but mostly just wanted to complete projects that are already underway before embarking on any new ones. He especially wants to be careful not to spend additional money for engineering work on projects that may be years down the road, making the engineering work obsolete before the project ever gets underway.

The City Auditor reported that the General Fund ended the year with an unencumbered balance in excess of \$120,000. \$27,000 of that balance was from the sale of the dump property and will be applied paying down the Parking Lot BAN (Bond Anticipation Note) in March of 2016. She confirmed with the Commissioners that their intent was still to apply any proceeds from the sale of real property, such as the possible sale of the Thomas Property, to the Parking Lot BAN.
