- Justice Center – The catch basins are installed and the sewer line connected. Work is coming along well.
- New Cemetery Road – The engineer's report is expected this week. Mr. Finney again expressed confidence that the repairs will not be too costly.
- Chillicothe Road sewer line– The engineer for E. L. Robinson has determined that the line would need to go twenty feet deep, which would be unsatisfactory for several reasons. Because of this, they are now looking into a re-design to find a less costly alternative.
- The Chamber of Commerce dinner is on January 26th at 5:30 p.m. Ticket orders must be in by tomorrow for Commissioners wishing to attend.

- OPWC meets in Piketon on Wednesday, January 25th for a short meeting. Mr. Finney must attend.
- Commissioner Matt Johnson was unable to attend this meeting because his work schedule has changed to second shift. He will only be able to attend one evening meeting per month. Mr. Finney asked the Commissioners if they would consider either meeting during the day or on Saturday. After a brief discussion, the Commissioners decided that Saturday meetings would be better.
- Demolition of houses – They are very close to being able to proceed with demolition of the house on Second Avenue, across from Foodland. The owner has agreed to allow demolition and placement of the cost on his property taxes. They are also working on the property in the 700 block of Third Avenue.
- Digital River Project – Ohio Valley Bank will be presenting their donation on January 27th, at 10:30 a.m.
- Budget hearings need to be scheduled. Mr. Cremeens cannot meet the next two Saturdays. This will give the City Manager additional time to meet with the department heads to refine their budget requests.
- The new City website, www.cityofgallipolis.com, is up and running now. He demonstrated the features on the website for those present. Mr. Finney invited suggestions for items to add. He said that the department heads will have an easier time uploading information onto the new site.

The City Auditor presented the December 2011 Financial Statement for approval. Mr. Cozza made a motion to approve, seconded by Mr. Wallis. Upon voice vote on the motion, all votes were yes.
