

**RESOLUTION NO. R2022-16**

**A RESOLUTION AUTHORIZING AND CONSENTING TO THE MUNICIPAL BRIDGE INSPECTION PROGRAM FOR THE CITY OF GALLIPOLIS OHIO**

**ODOT Project Title:** Municipal Bridge Inspection Program

The following is a Resolution enacted by the City Commission of the City of Gallipolis in Gallia County, Ohio, hereinafter referred to as the Local Public Agency (LPA).

**SECTION I – Project Description**

**WHEREAS** the City of Gallipolis has determined the need for the following described project:

*Bridge Inspection Program Services, including, but not limited to routine inspections, element level inspections, critical findings report, fracture critical member inspections, load rating calculations and reports, weight limits posting sign recommendations, scour assessments, scour plan of actions, development of fracture critical plans, and underwater dive inspection reports if needed.*

**NOW THEREFORE**, be it resolved by the City Commission of the City of Gallipolis, Ohio.

**SECTION II – Consent Statement**

Being in the public interest, the LPA gives consent to the Director of Transportation to complete the above described project.

**SECTION III – Cooperation Statement**

The LPA shall cooperate with the Director of Transportation in the above-described project as follows:

*The State shall assume and bear 100% of all the cost for Bridge Inspection Program Services requested by the City and agreed to by the State. Eligible Bridge Inspection Services are described in the Consultant’s Scope of Services Task Order Contract (Exhibit A).*

*The LPA agrees to pay 100% of the cost of those features which are not included in Exhibit A. Those features may include but not limited to the purchasing and erecting the recommended weight limits postings signs, the implementation of critical findings reports*

*such as partial or total bridge closures, the implementation of the scour plan of actions. When recommendations affect public safety, ODOT expects full implementation by the municipality. As of October 2019, FHWA requires installing weight limits posting signs within 30 days from the official date of the approved recommendations. Timely implementation is essential to the success of this program.*

**SECTION IV – Utilities and Right-of-Way Statement**

The LPA agrees that all right-of-way required for the described project will be made available in accordance with current State and Federal regulations.

**SECTION V – Project Duration and Consent Applicability**

The Project is based on the available funds provided by ODOT aimed at assisting the LPA in reaching compliance with State and Federal laws and policies for bridge inspection. The Project specifics (program duration, PID number, and consultant scope of services (Exhibit A)) shall be provided to the designated LPA Contractual Agent via email sent by ODOT Office of Structural Engineering (OSE).

ODOT will seek additional funds to renew the project in future years. If such funds are allocated, ODOT will send an email with the Project specifics to the designated LPA Contractual Agent seeking approval for the new Project. ODOT will not proceed with any Project that does not have written authorization via email from the designated LPA Contractual Agent.

**SECTION VI – Authorization of Project**

The City Manager of the City of Gallipolis, Ohio is hereby empowered on behalf of the the City of Gallipolis, Ohio to provide written authorization via email to the Director of Transportation to complete the above-described project and any renewals.

**SECTION VII – Effective Date**

This Resolution shall be in full force and effect immediately upon passage as an emergency measure.
